### **Anastasia's Odessa Queen 2009 Brings Glitter to the Black Sea Queen Lyudmila is 'Simply the Best...Better than all the Rest'**

**September 10, 2009 – BANGOR, Maine, USA** – *They came, they saw and they were conquered...*...the lip-licking, spine-tingling and mesmerizing spectacle of *Anastasia's Odessa Queen 2009* came to a close last Saturday leaving a thrilled audience of over 600 calling out for more.

An intoxicating blend of pleasure, anticipation and romance filled the 4-Star Palladium Hotel Complex in Odessa, Ukraine, as 30 incredible Black Sea contestants elegantly competed for the competition's throne and crown. It was a buzzing highlight of Anastasia's Romance Tour in action from September 2-13 in Odessa and nearby Kherson.

(For more information about Anastasia's tours, go to: [www.anastasia-web-tours.com](http://www.anastasia-web-tours.com)).

Delicious golden-haired and hazel-eyed winner Lyudmila was picked by an awestruck judging panel, consisting of five fortunate winners of a lottery of Anastasia tour members. Every Odessa beauty had the chance to impress in an exhilarating series of swimsuit, talent and interview rounds. But it was the curvaceous 5'8" posture, utter style and beautiful eloquence of 19-year-old Lyudmila that stole the show.

To maximize on her unforgettable looks and sparkling hazel eyes, Lyudmila's masterstroke was to transmit her charismatic position clearly to the audience and judges with a lively performance of Via Slivki's "*Simply the Best*" (*Via Slivki* – a popular Russian group) during the contest's talent spot. Singing talent partnered with her smooth and graceful swimsuit presentation, Lyudmila was confidently sitting pretty on every judge's scorecard.

With a faultless performance and a body made in heaven, her crowning as *Anastasia's Odessa Queen 2009* was a popular decision with the delighted crowd, especially with the 30 Romance Tour participants. All tour members had the exclusive opportunity of socializing with the contestants during and after the competition.

Although victorious, by no means did Queen Lyudmila have it easy in the gripping competition, which was even filmed for a documentary to be shown by the Canadian Broadcast Corporation. The 1<sup>st</sup> Runner-Up place went to the slender blond beauty Yana, while a 5'2" package of delight Irina took the 2<sup>nd</sup> Runner-Up spot.

To allow the audience to relive every glorious moment of *Anastasia's Odessa Queen 2009*, as well as those not lucky enough to attend, a video stream of the entire event will soon be available on [Anastasiaqueen.com](http://Anastasiaqueen.com).
